[SEE CHICAGO DANCE](#) *"Hedwig forges new forms in 'KAOS' "* by Lynn Colburn Shapiro

...."The piece marks a bold step for the dance company into the existential challenges of continuing to create new work and to perform during these pandemic times.

...."KAOS's" blend of film and virtual performance redirects our attention from conditioned expectations to the surprisingly rich expressive possibilities inherent in the form.

in its creation, we are witness to a bold, creative resilience, rebounding from the chaos of our time...In "KAOS," Saura and Hedwig Dances promise a healthy forum for a new phase of creativity. May they flourish!"

REGISTER FOR "In The Creator's Mind"

Master Workshop: "In The Creator's Mind"

One Day Workshop with

[Ana Beatriz Perez](#)

Immerse yourself in this unique experience with choreographer, teacher, and dancer [Ana Beatriz Perez](#) from Galicia, Spain. The workshop day is divided into three master classes, designed for dance artists who want to explore the vision of another artist.

Workshop 1 | "Like a fish in water"

10 am – 11:15 am

This class is an immersion in technique. Participants will work with the basic concepts of contemporary dance: the use of weight, gravity, falls, entering and leaving the ground, on/off balance, and use of space. The class will also include elements of Cuban technique, one of the foundational strands of her work.

5 minute break

Workshop 2 | "Alice's mirror"

11:20 am – 12:20 pm

This class focuses on improvisation and movement generation. "Alice's mirror" is the moment when everything changes, opening the door to the dancers' own explorations, to meet themselves in their creative world. Dancers will develop choreographic skills via movement exercises provided to them by Betty to enrich their movement quality.

5 minute break

Workshop 3 | "In the mind of the creator"

12:25 pm – 1:25 pm

This final class echos Betty's choreographic process in developing her new dance "Home" with Hedwig Dances' company. Dancers will directly experience the various work tools and processes that she has developed to construct "Home."

5 minute break

Q+A with Ana Beatriz Perez

1:30 pm – 2 pm
